I, Thomas M. Mullaney, attorney for Plaintiff Dover Limited ("Dover"), in good standing in the State of New York and admitted to practice before this Court, affirm on July 15, 2008 that:

1. Attached as Exhibit A are true and correct copies of Mansell Capital Partners, LLC ("Mansell") statements for its account at Bank of America for the period October 1, 2003 through January 1, 2005, as produced by Defendants Hartsfield Capital Securities, John H. Banzhaf and Delbert D. Reichardt ("HCS Defendants"), numbered pages 1-47.

2. These statements show that Mansell did not make one investment in short-term bank or corporate notes.

3. Mansell did, however, distribute significant sums to various co-defendants. By wire, Mansell sent Defendant Assemi \$386,948 (\$184,620 of which went to his so-called hedge fund, Seaforth Meridian – see Answer and Counterclaim of Defendant Assemi, Docket # 6), sent Hartsfield Capital Group \$451,220, sent Defendant Thomas Begley and Thomas Begley Associates \$139,980 (\$15,000 of that was sent to a Tracey Begley).

4. Mansell also wired \$11,070.47 to an entity called Leather World.

5. Attached as Exhibit B is a “Transaction Register” produced by the HCS Defendants, numbered pages 48-78, that corresponds with the Mansell Bank Statements of Exhibit A. This Transaction Register shows the payee of checks issued from the Mansell Account.

6. No short-term bank or corporate notes appear to have been purchased by Mansell with a check.

7. Defendant Reichardt paid himself \$91,540 by check according to the Transaction Register. Defendant Banzhaf received \$85,526.78. Defendant Begley received \$83,913.85 (\$12,000 of that paid on his behalf to Chase Auto Finance), making the total he received from Mansell \$223,893.85. An entity called Begley, Banzhaf, Reichardt LLC received two checks totaling \$100,000.00. Hartsfield Capital Group received \$79,936.95 by check, making the total that it received from Mansell \$531,156.95.

8. Mansell also made a variety of personal consumer purchases by check according to its own records. Sound Design, Inc. received three checks totaling \$80,025.88 from Mansell. Leather World received \$6,658.59, Leather Creation received \$4,416.00, Fitness Resources received \$2,500.00, and T-Mobile received \$3,564.46.

9. A copy of a Unanimous Resolution of the Shareholders and Officers of Mansell Capital Partners, LLC ("Mansell Resolution"), dated July 14, 2003 is attached as Ex. C.

10. The Mansell Resolution identifies Defendants Lovett and Begley as Mansell's President and Secretary, respectively. It also resolves to invest funds through a Mr. Gordon Mascarenhas as "Advisor and Administrator."

11. Mr. Mascarenhas' name does not appear as a recipient of any funds from Mansell, either by wire or check.

12. In my review of Dover's documents I did not see any mention by any of the Defendants that Dover's funds would be sent to this individual, nor that its funds would be "administered" outside of the United States. In fact, no defendant mentioned Mr. Mascarenhas until 2005, when Defendant Begley revealed that Dover's money had not been invested in AA-rated securities, but instead had been expatriated.

13. Mr. Begley, in contrast to a sworn affidavit recently submitted to this Court, lived in the New York City area from at least December 19, 2003. Bank account statements produced by JP Morgan Chase Bank and Citibank, N.A. pursuant to subpoena show Thomas O. Begley living at 468 N. Spur Drive, Bay Shore, NY 11706-3432.

14. In fact, on February 11 and October 26, 2004, Defendant Banzhaf wired \$21,980.00 and \$10,000 respectively to Defendant Begley's New York bank accounts. A true and correct copy of the account statements of Thomas O. Begley produced by JP Morgan Chase Bank and Citibank, N.A. is attached as Exhibit D.

15. Given the fact that Defendant Begley lived in New York during 2004-2005, and that he was an officer and director of Mansell, which had at most three other "employees", it is accurate to say that Mansell itself operated from New York State.

16. Defendant Assemi likewise maintained a New York bank account to which Mansell wired significant funds. Defendant Assemi maintained an account at Sterling National Bank, at 650 Fifth Avenue, New York, NY 10019-6108. A true and correct copy of Defendant Assemi's Sterling National Bank account statements is attached as Exhibit E.

17. Thus, Mansell improperly directed Dover's funds to New York accounts on repeated occasions, and never invested Dover's funds as was promised. Instead, the Mansell account served as the piggy bank of the individual co-defendants.

THOMAS M. MULLANEY

The fee for each insufficient funds item is based on the number of days during the current month and preceding 12-month period in which your account has had at least one insufficient funds item (each of these days is an "insufficient funds occurrence"). We'd like you to know that the following changes will take effect July 1, 2004:

If your account has had 2 or fewer insufficient funds occurrences during the current month and preceding 12-month period, the fee is \$17 per item. If your account has had at least 3 but no more than 5 insufficient funds occurrences during the current month and preceding 12-month period, the fee is \$30 per item.

If your account has had 6 or more insufficient funds occurrences during the current month and preceding 12-month period, the fee is \$33 per item. You can avoid this fee by taking advantage of one of our overdraft protection plans.

Please call your bank representative or the Customer Service number on this statement if you have any questions or want to set up overdraft protection. We value your business and our associates will be happy to assist you.

## Message Center

We value your business and want you to know that, effective November 19, 2004, there is a \$5 international ATM fee for each withdrawal, transfer and balance inquiry made at a non-Bank of America ATM located in a foreign country. You can avoid this fee by using an international ATM that is owned by a bank that participates in the Global ATM Alliance.

Our goal is to provide you with a higher standard of service. For information on the Global ATM Alliance and a listing of the Alliance banks, see the enclosed insert in this statement. Please retain this insert for future reference when traveling outside the U.S. If you have questions, please call the customer service number on your statement.

### Important Information

**Change of Address.** Please call us at the telephone number listed on the front of this statement to tell us about a change of address.

**Deposit Agreement.** When you opened your account, you received a deposit agreement and fee schedule and agreed that your account would be governed by the terms of these documents, as we may amend them from time to time. These documents are part of the contract for your deposit account and govern all transactions relating to your account, including all deposits and withdrawals. Copies of both the deposit agreement and fee schedule, which contain the current version of the terms and conditions of your account relationship, may be obtained at our banking centers.

### Electronic transfers: In case of errors or questions about your electronic transfers

If you think your statement or receipt is wrong or if you need more information about an electronic transfer (e.g., ATM transactions, direct deposit or withdrawals, point-of-sale transactions) on the statement or receipt, telephone or write us at the address and number listed on the front of the statement as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- \* Tell us your name and account number
- \* Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- \* Tell us the dollar amount of the suspected error.

For consumer accounts used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 business days if you are a new customer, for electronic transfers occurring during the first 30 days after the first deposit is made to your account) to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

For other accounts, we investigate, and if we find we have made an error, we credit your account at the conclusion of our investigation.

**Reporting Other Problems.** You must examine your statement carefully and promptly. You are in the best position to discover errors and unauthorized transactions on your account. If you fail to notify us in writing of suspected problems or unauthorized transactions within the time periods specified in the deposit agreement (which periods are no more than 60 days after we make the statement available to you and in some cases are 30 days or less), we are not liable to you for, and you agree not to make a claim against us for the problems or unauthorized transactions.

**Direct Deposits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you may call us at the telephone number listed on the front of this statement to find out if the deposit was made as scheduled.

**Amendment to Deposit Account Agreements and Disclosures Regarding  
Account Debiting: Order of Payment, Effective July 9th, 2004**

Items you have written and electronic debits you have initiated, such as wire transfers, ATM withdrawals and transfers, Chase Banking Card purchases, Chase Online Banking payments and ACH debits are called "Transactions". Unless you and the Bank have agreed otherwise, the Bank is not obligated to pay any Transaction where sufficient funds are not available in your account. When Transactions are presented to the Bank for payment on the same day, it is the Bank's policy to pay wire transfers first, starting with the highest amount. If available funds remain after wire transfers have been deducted from your account, the Bank will pay other remaining Transactions, starting with the Transaction for the highest amount. If your balance is insufficient to pay a Transaction, the Bank will review the remaining Transactions in highest to lowest order until the Bank finds a Transaction that can be paid by your available balance. This order of payment will continue for the remaining Transactions presented that day.

**In Case of Errors or Questions About Your Electronic Fund Transfers other than for Investment Transactions:**

If you think your statement or record is wrong or if you need more information about a transfer on the statement or record, telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

**Give us the following information:** (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

**LOANS****Checking Plus - Fixed Rate and Variable Rate**

**Average Daily Balance:** The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Finance Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic rate and the corresponding Annual Percentage Rate may vary.

**Finance Charge:** The Finance Charge is computed by applying the Daily Periodic Rate to the principal balance of your account each day in the statement period. The resulting Finance Charges are totaled at the end of the statement period and disclosed on the statement as the "Finance Charge". You may verify the amount of the Finance Charge by (1) multiplying the Daily Periodic Rate by the Average Daily Balance for the statement period, and then (2) multiplying the result by the number of days in the statement period. (All of these numbers can be found in the table called "Finance Charge Computation").

Finance Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account.

The total Finance Charges (Interest) paid during the year will be shown on the first or second statement following year-end.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

#### LOANS

##### Checking Plus - Fixed Rate and Variable Rate

**Average Daily Balance:** The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Finance Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic rate and the corresponding Annual Percentage Rate may vary.

**Finance Charge:** The Finance Charge is computed by applying the Daily Periodic Rate to the principal balance of your account each day in the statement period. The resulting Finance Charges are totaled at the end of the statement period and disclosed on the statement as the "Finance Charge". You may verify the amount of the Finance Charge by (1) multiplying the Daily Periodic Rate by the Average Daily Balance for the statement period, and then (2) multiplying the result by the number of days in the statement period. (All of these numbers can be found in the table called "Finance Charge Computation").

Finance Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account.

The total Finance Charges (Interest) paid during the year will be shown on the first or second statement following year-end.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

#### Other Information

Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

**Request for Credit Balance Refunds:** If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown in the Customer Service Information section on your statement.

**Line of Credit (other than Checking Plus), Loans and Mortgages:** Information about these products on this statement is summary information as of your last individual product statement(s). You will continue to receive your regular monthly statement(s).

**Billing Rights Summary - In Case of Errors or Questions About Your Statement:** If you think your statement is wrong or if you need more information about a transaction appearing in your statement, write to us at the address shown in the Customer Service information section on your statement (Attn: Checking Plus) as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us at the phone number indicated but calling us will not preserve your rights.

In your letter, give us the following information: (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error and explain, if you can, why you believe there is an error, (4) if you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question we cannot report you as delinquent or take any action to collect the amount you question or any related finance or other charges.

### In Case of Errors or Questions About Your Electronic Fund Transfers other than for Investment Transactions:

If you think your statement or record is wrong or if you need more information about a transfer on the statement or record, telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

**Give us the following information:** (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

## LOANS

### Checking Plus - Fixed Rate and Variable Rate

**Average Daily Balance:** The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Finance Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic rate and the corresponding Annual Percentage Rate may vary.

**Finance Charge:** The Finance Charge is computed by applying the Daily Periodic Rate to the principal balance of your account each day in the statement period. The resulting Finance Charges are totaled at the end of the statement period and disclosed on the statement as the "Finance Charge". You may verify the amount of the Finance Charge by (1) multiplying the Daily Periodic Rate by the Average Daily Balance for the statement period, and then (2) multiplying the result by the number of days in the statement period. (All of these numbers can be found in the table called "Finance Charge Computation").

Finance Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account.

The total Finance Charges (Interest) paid during the year will be shown on the first or second statement following year-end.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

### Other Information

Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Line of Credit (other than Checking Plus), Loans and Mortgages: Information about these products on this statement is summary information as of your last individual product statement(s). You will continue to receive your regular monthly statement(s).

In your letter, give us the following information: (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error and explain, if you can, why you believe there is an error, (4) if you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question we cannot report you as delinquent or take any action to collect the amount you question or any related finance or other charges.

**In Case of Errors or Questions About Your Electronic Fund Transfers other than for Investment Transactions:**

If you think your statement or record is wrong or if you need more information about a transfer on the statement or record, telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

**Give us the following information:** (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and will correct any error promptly. **LOANS****Checking Plus - Fixed Rate and Variable Rate**

**Average Daily Balance:** The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Finance Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic rate and the corresponding Annual Percentage Rate may vary.

**Finance Charge:** The Finance Charge is computed by applying the Daily Periodic Rate to the principal balance of your account each day in the statement period. The resulting Finance Charges are totaled at the end of the statement period and disclosed on the statement as the "Finance Charge". You may verify the amount of the Finance Charge by (1) multiplying the Daily Periodic Rate by the Average Daily Balance for the statement period, and then (2) multiplying the result by the number of days in the statement period. (All of these numbers can be found in the table called "Finance Charge Computation").

Finance Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account.

The total Finance Charges (Interest) paid during the year will be shown on the first or second statement following year-end.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

If you think your statement or record is wrong or if you need more information about a transfer on the statement or record, telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

**Give us the following information:** (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information. #### LOANS

##### Checking Plus - Fixed Rate and Variable Rate

**Average Daily Balance:** The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid Finance Charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic rate and the corresponding Annual Percentage Rate may vary.

**Finance Charge:** The Finance Charge is computed by applying the Daily Periodic Rate to the principal balance of your account each day in the statement period. The resulting Finance Charges are totaled at the end of the statement period and disclosed on the statement as the "Finance Charge". You may verify the amount of the Finance Charge by (1) multiplying the Daily Periodic Rate by the Average Daily Balance for the statement period, and then (2) multiplying the result by the number of days in the statement period. (All of these numbers can be found in the table called "Finance Charge Computation").

Finance Charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account.

The total Finance Charges (Interest) paid during the year will be shown on the first or second statement following year-end.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

#### Other Information

Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

**Request for Credit Balance Refunds:** If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown in the Customer Service Information section on your statement.

**Line of Credit (other than Checking Plus), Loans and Mortgages:** Information about these products on this statement is summary information as of your last individual product statement(s). You will continue to receive your regular monthly statement(s).

**Billing Rights Summary - In Case of Errors or Questions About Your Statement:** If you think your statement is wrong or if you need more information about a transaction appearing in your statement, write to us at the address shown in the Customer Service information section on your statement (Attn: Checking Plus) as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us at the phone number indicated but calling us will not preserve your rights.

In your letter, give us the following information: (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error and explain, if you can, why you believe there is an error, (4) if you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question we cannot report you as delinquent or take any action to collect the amount you question or any related finance or other charges.
